ABOUT US

The International University MITSO offers Russian language programs for foreign students **from 18 years old** and any level of proficiency in Russian – from beginner to advanced.

The main objective of the program is to form and develop the students' practical Russian language skills (speaking, listening, reading and writing).

Students receive a certificate upon successful completion of the educational programme.

At the university, you can also take a supplementary exam on the Russian language to get a language **certificate ECL**, recognized in the European countries for admission to university and employment.
